

## Author Statement

We the undersigned are requesting permission to publish our manuscript

---

in “Ulyanovsk Medico-Biological Journal”. We acknowledge that we have reviewed the following documents:

- Requirements for Manuscripts Submitted;
- Types of Articles Accepted;
- Policy of Ethical Standards.

We certify that the manuscript conforms to all requirements of the Journal, namely:

1) The contribution of each author made to the manuscript is defined, and its publication is approved by all authors;

2) One or more authors disclose the following conflicts of interests (put X where applicable):

Financial interest related to biomedical equipment, techniques, pharmaceuticals, etc. described in the manuscript (financial support, grants, scholarships);

Financial interest related to the company, which produces the equipment, pharmaceuticals, etc. described in the manuscript (as an investor);

Author’s contributions (for the last three years) in accordance with consultancy contract related to biomedical equipment, techniques, pharmaceuticals, etc.;

Financial interest related to marketing of the described biomedical equipment, techniques, pharmaceuticals, etc. (Manufacturer Employee);

We have no conflicts of interests to disclose.

3) We certify that this article is original, does not infringe on any copyright, and has not been previously published or under consideration for publication elsewhere. In case the article contains any previously published data, the explanation is provided in the cover letter.

4) We hereby transfer, assign, or otherwise convey all copyright ownership of the manuscript in its entirety, figures, tables, pictures and supporting documents including any rights incidental thereto exclusively to Ulyanovsk Medico-Biological Journal, in the event if our manuscript is published. In addition, each copy must contain the author’s name; entitlement for inclusion in the composite work; use of metadata (title, author’s name, abstract, references, etc.); processing and systematization, as well as inclusion in various databases and information systems; assigning rights under a contract (partially or completely) to the to third parties without remuneration payment to the author(s).
